SYRUP PECTORAL

IPI INVITE ATTENTION to some of the mo PECTORAL SYRUP.

They are at home, and any one who has doubts can is quire of the person who have been cured by it. DR. KEYERR IS PREPARED AT ANY TIME TO EXAMINE LUNGS WITHOUT CHARGE, FOR ALL THOSE WHO NEED HIS MEDICINES.

Dr. Kuyser:—My wife has been afflicted with a had cough and difficulty of breathing, for five or six years, which, for several years back, had gradually increased in violence. The complaint has been hereditary, and she had been treated by several physicians without any relief. In this state of her case, I procured some of your Pectoral Cough Syrup. I bought, the first time, a fifty cent bottle, which relieved her very much; I then called and got a dollar bottle, which cared her entirely, and she has now no trace of the former disease, except weakness. I would also state that I used the medicine myself to a cold and cough. The medicine cured me by taking one dose. I express my entire astisfaction with the medicine, and you are at liberty to publish this if you desire to do so.

Alderman Fifth Ward.

Privatures, Nov. 18, 1656.

Dr. Kryen:—Although not an advocate of Patent Medicines, in general, it affords me pleasure indescrits his to recommend your Pectoral Syrup. As a medicine it is well worthy the attention of any person who may in any manner be afflicted with coughs, colds and hearseness of any hind, and for the peculiar qualifications for removing all that disagreeable sensation attending a severe cold.

vere cold.

I have been, more or less, in my life, affected with the severest of colds and hearseness. At times my throat would become so cheed as to prevent my speaking above a whisper, and by taking a few doses of the above Syrup it would relieve me entirely.

In recommending this medicine, I must unbesitatingly say that it is the best remedy I ever found, purporting to care the above, nor should any family be without this remedy for diseases so prevalent.

Yours, most respectfully,

EDWARD J. JONES.

Cashier Citizens' Deposit Bank.

FIRUMENVILLE, O., March 14, 1859
I have used Dr. Reyser's Cough Syrup for a bad cough
f several years standing, and can obserfully say it is
he best medicine for the same that I have ever taken.

COL. PRATT AND DR KRYSER'S PECTORAL SYBUP.—Dr. Kryser—Dear Sir. Excuse the delay of my acknowledging the excellence of your Pectoral Cough Syrup sooner. I take great pleasure in saying that it is all you say it is. Il knocked the noise onto of my cough and the worst one I was ever afflicted with I have not used more than one-half of the bottle, and I can and do wish that all who are afflicted would give it as fair a trial as I have done, and they will be proud to say, "It is no quack medicine." I would not suffer another such an attack for any consideration, or at any cost. I am confident I can breathe more freely than I ever did. I shall always acknowledge a debt of gratitude for inventing so excellent a remedy. You are at liberty to use my name in this regard, as you think proper E. F. PRATT.

READ THE TRUTH.—Dr. Extern: I have a daughter who has taken several medicines for a bad cough without benefit—among them Ayer's Cherry Pectoral.—I purchased from you a bottle of your PROTOSAI SYRUP, and before she had used half a bottle she warrelieved. The second bottle cured her entirely of he cough.

PRITIBEROH, December, 31, 1853. SYRUP.—I live in Peobles township, Allegheny county. I had a coughing and spitting, which commenced acout the 4th of February last, and continued eight months. I employed the best physicians in the country, and my cough continued unabated until early in October. At that time I was advised to try your PEOTORAL COUGH. was entirely free from the coughing and spitting. I had despaired of ever getting well, and I think it should be known that this valuable remedy will do for others what it has done in my case. JOHN C. LITTLE,

Parton Tr., April 14, 1897.

A WONDERFUL OURE.—Some time ago, an old neighbor of mine was very ill, with a bad cough which every one supposed to be consumption. His relistives told me that he had taken every remedy they heard of without benefit; his brother came to see him die, and all were confirmed in the belief that he could not live. I had about the third of a bottle of your Feetoral Syrup, which I gave him, and it entirely cared him, to the aston-ishment of all. What makes the case more remarkable, is the extreme age of the man, he being about eighty years old. I have no doubt the Fectoral saved his life.

JOHMNY GINNIS.

DR. KEYSER'S PECTORAL SYRUP IN BLAIRS DR. REYBER'S PECTORAL STRUP IN ELAIRS VILLE.—Please send me another supply of your valuable "Pectoral Syrup." Almost everybody around a has the cold and are inquiring for "Dr. Keyser's Pector Syrup." We have sold sixteen bottles last week, and are now entirely out. Mr. A. Alter and Mr. P. Maler, but of Blairsville, Pa., tell us they would not be without in their families. In fact, all who use it once want again. Yours, respectfully,

J. S. WATTERSON & BOMS

January 30, 1860. ANOTHER NEW CERTIFICATE-DR. KEYSER'S ANOTHER NEW CREATFIGATE—DR. REYSER'S
PEOTORAL SYRUP.—I had been troubled with a cough
and cold for several weeks—so bad was it that I could not
sleep. I had the advice and prescriptions from three of
net de so. I finally produced a bottle of your Pectoral
Syrup, which cured me entirely. Bigned,
J. W. SIMONTON,

"BTOP THAT COUGHING."—'How can I do it?" "Go to Keyser's on Wood street and get a bottle of his Cough Pectonal, and if that don's care you, your case must be desperate indeed." This is a specimen of the collequy one hears almost every day in cold catching periods of the year. And we can, from actual experiment, cheerfully concur in the adviser's admonition as above, for we have tried the "Pectoral." in a most stubborn cise, with entire success. Near two weeks ago we went to Pittsburgh, with one of the most distressing, contrary, mulich, and subduable coughs we ever experienced since our advent upon this mundane sphere. We coughed steadily and laboriously for one whole week in hopes of firing it out, but it was no go. In fact it seemed rather to have improved by practice, and to have sequired strength, potency and distressibility by the operation. In this stage of the siege, we con fact our way to Keyser's, 140 Wood St.—procured a fifty cent bottle of the "Pectoral." took it second ing to directions, and in forry eight hours we were master of the field, the enemy having neconditionally surrendered, after a brief but unequal conflict with so formidable an adversary as Keyser's famous "Jough Pectoral."—Droumsville Cupper, Dec. 14, 1859.
